AMANDA HOLMAN

Beyond 4 Walls

Exhibition Dates: April 10th - 20th

Online Sales Launch: Tuesday April 9th 8pm

Opening Reception: Friday April 12th 6pm

Moving back to the country became the catalyst for Amanda Holman to pursue her dream of becoming a full-time artist.

Inspiration to capture the beauty of the countryside evolved from a childhood in the township of Mudgee NSW, a country town surrounded by hills with everchanging colours, rivers framed by ancient river gums, and seasonal windswept pastures.

Now living in Orange, Amanda has found the surrounding scenery to be a fuel for the senses.

Amanda's pursuit of landscapes that capture the essence of Australia and the Australian light is paramount in her practice. To create scenes that evoke a sense of connection to the country and a feeling of tranquillity and restfulness is her objective.

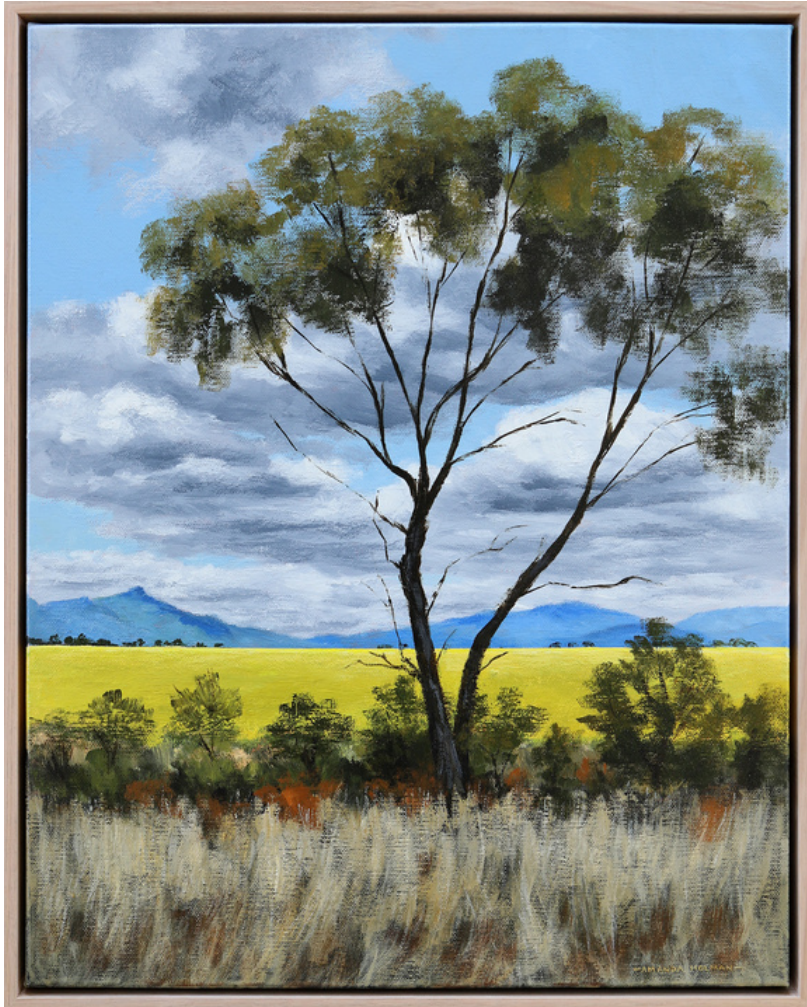

Beyond 4 Walls is a collection of works in which Amanda seeks to portray the awe-inspiring beauty of the country around us.
