

Andrea Shaw is a paint and textile artist living and working in Torquay, on Victoria's Surf Coast. Andrea has had seven successful solo shows in Melbourne and Geelong and has been curated into multiple group shows around Australia. She has also created window installations and wall murals for boutiques and jewellery galleries in Melbourne and Geelong.

Andrea's works are abstract representations of the landscape that surrounds her. Painted from quick sketches made out on walks and memory her works are dynamic, playful snapshots responding to the ever changing and vivid colours, patterns and forms within the landscape.
